Get notifications about waste/recycling pickups!

Dayton Collects is a new app that lets you view collection schedules on mobile devices and computers.

- Weekly reminders via email or phone.
- Keep track of scheduled waste, recycling and bulk waste pickups.
- Fast, easy and convenient!

The app is available for free download on the Apple and Google Play app stores and is also embedded in the City website at daytonohio.gov/daytoncollects.

Acceptable Items for Recycling

- Glass Bottles & Jars (all colors)
- Metal Cans: Aluminum cans, steel cans and lids, empty aerosol cans with the lids and tips removed
- Plastic Bottles (empty, crush, reattach lid): Bottles and jugs that have a small mouth and wider base, such as milk jugs, soda bottles, laundry detergent bottles, water bottles, shampoo bottles and contact solution bottles
- Paper: newspaper, magazines, cardboard, mixed office paper and envelopes, paperboard (cereal boxes), pizza boxes free of food debris and grease, telephone books and catalogs
- Cartons: food and beverage cartons, such as milk, juice, soup, wine, broth and other cartons.

Recycling Tips

- Mix all items together - no separation required
- Empty all bottles, jugs and cans
- No need to remove labels
- For plastic bottles, empty, crush and reattach lids
- For cartons, remove plastic caps and straws
- NEVER place medical sharps or needles in the recycling
- DON'T use plastic bags

BULK PICK UP - CITY OF DAYTON

Starting November 8, the City of Dayton will pick up Moraine **Bulk** Waste Disposal every other week.

Information and Guidelines

- Call 333-4800, no later than the Wednesday before your normal collection day, to schedule a bulk waste collection.
- On the day of your scheduled bulk collection, set items out by 7am.
- Bundle, bag or containerize all small items. (Keep your neighborhood clean of loose debris.)
- Tie brush, tree limbs, and carpet into bundles not heavier than 25 pounds, no larger than 4 feet in length, and no bigger than 18 inches in diameter.
- Separate metal items (stoves, refrigerators, etc.) from other bulk items. Remember to remove refrigerator doors.
- The City of Dayton cannot collect: sheet rock (drywall), concrete, rocks, bricks, blocks, sand, gravel, paint, construction materials, or hazardous waste. (Examples of hazardous waste are paint, oil, gas containers, etc.)

Your Waste Collection Day is: FRIDAY

- Your waste collection days are indicated by an **outlined box** □ ○ Your collection dates affected by a holiday are indicated in **red**
- Your bulk waste days are indicated by a **(blue shaded box)** ■ (You must call 937-333-4800 to schedule a bulk pick-up)

Tree Limb Drop Off

The Street Division provides a tree limb disposal service for those who have unwanted brush in their yards. Residents must transport their brush to our drop off location on Lyleburn Road.

Appointments must be made 24 hours prior to drop off. Size limits are 3 inches in diameter and/or 8 feet in length.

Congrats C.E.R.T. Class!

Congratulations to Moraine's most recent Community Emergency Response Team Class graduates. C.E.R.T. is comprised of people who are trained in Disaster Preparedness, Basic Disaster Response Skills, Fire Safety, Light Search and Rescue, Team Organization, and Disaster Medical Operations.

Using their training, C.E.R.T. members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. This training is free!

Eligible citizens are anyone who lives or works in Moraine or the surrounding area, who are 18 years old or older. Interested in participating in C.E.R.T.? Contact Dee Werbrich at 535-1005. To learn more about C.E.R.T., go to the National C.E.R.T. website: <https://www.ready.gov/community-emergency-response-team>

OCTOBER

MULCHING THE LEAVES ISN'T A TRICK. IT'S A TREAT FOR YOUR LAWN

- Mulch leaves with a lawn mower. Leaves provide nutrients for healthy soil, more of nature's fertilizer.
- Apply a good quality compost along with grass seed while seeding the lawn.

**DID YOU
KNOW?**

Researchers found that mulching leaves in the fall resulted in a greener lawn and up to 80% less dandelions the following spring.

Testing Hydrants

To assure that hydrants are operating properly, the Fire Division will be checking hydrants the month of October during normal business hours, including Saturdays and Sundays. There is a small chance that rust might be stirred up in water pipes. It is best to do your laundry during non-business hours if possible. Thanks for your cooperation.

5 WAYS TO WEATHERPROOF YOUR HOME THIS WINTER

Like it or not winter is just around the corner, but you still have time to weatherproof your home. Most houses contain cracks and gaps between building materials that can add up to a hole of about 14" square. In the winter, those gaps will make the house drafty and cold. A leaky house not only wastes energy all year long, but can also lead to water damage and an entrance for insects. The greatest source of air leakage in most homes occurs around windows, doors and access hatches, such as the opening in a ceiling to an unheated attic. When weather stripping these areas, the openings need to be fitted loosely enough that the windows and doors operate freely, yet tightly enough that air leakage is stopped. Here are a few tips to keep the cold out and your heat in this winter.

1. Check your doors by standing outside the closed door on a dark night and shine a flashlight all around the edges of the door. You will need someone inside to assist. Anywhere you see light, cold air is seeping into your home and your heat is going out. Drafts around edges can be reduced by applying a self-sticking weather-strip tape of foam rubber or by nailing strips of gaskets made of felt, vinyl, rubber or metal. Don't forget to check under your doors. These areas invite cold air, rain, dirt and insects. You can take care of this by installing a new rubber strip in your threshold, replacing the complete threshold or by installing a door bottom or sweep. You install these to the bottom of your door with screws, nails or glue. All are adjustable to compensate for uneven doors or floors and are an easy way to keep the weather out.
2. Remove any air conditioner units in your windows. Leaving them in will let cold air in all winter long. Windows should be free of cracked and broken glass, and when shut should lock freely to help them seal. Have storm windows installed if available. To see if your windows are still drafty, use a simple method of clipping or taping one end of a tissue to the bottom of a wire hanger. Hold the hanger by the hook and take to your windows. If the tissue flutters, air is entering and you need more sealing for this window. Check weather stripping. If it is damaged or missing it needs to be

replaced with the same type of sticky felt used on the doors. Check inside and outside caulking around the window and fill in any gaps of old cracked and missing caulking around the window with a good indoor/outdoor caulk.

3. Any wall air conditioners should be sealed for the winter with a tarp or plastic secured tightly around the outside edges of the unit. Before covering make sure any cracks or openings are sealed with caulk. For larger holes, use an expandable foam material, allowing it to completely dry before touching as material is very sticky until then. Don't worry if it expands out farther than wanted, just wait until it dries and trim any unwanted areas.
4. Believe it or not electrical outlets and switches can let a lot of cold air in this winter as well. You can buy foam backing that goes behind the switch or outlet plate. Simply remove your plate and place the foam pad behind the plate and reinstall the plate. If the plate does not cover the hole in your wall you will want to get an over sized plate to cover open areas. You can also place a clear plastic plug cover such as the ones you may use when a baby is in the house. Place these in all plugs and simply remove when outlet is needed.
5. You may also want to consider insulating pipes, ducts and water heaters for added comfort and energy savings. Wrapping hot water pipes cuts wasteful heat loss and on cold pipes it stops the pipe from sweating and helps prevent freezing. Wrap your water heater as well as any exposed heat ducts with an approved insulation blanket available at any hardware or home improvement store. Of course you should always check your attic and walls to make sure you have adequate insulation for the area. To do this you may want to call in a professional to determine your type of insulation as well as its R-factor.

Residents to Vote on School Bond Issue November 5

On Tuesday, November 5, voters in the West Carrollton School District will consider a 5.6 mill bond issue that would allow the district to build new schools.

In July, the District's school board approved the ballot request to construct four new schools - using 81% of State funds and 19% local dollars for co-funded expenses - through the Ohio Facilities Construction Commission building program.

If approved by voters in West Carrollton, Moraine, and Miami Township, the bond issue will cost the owner of a \$100,000 home approximately \$199 a year, or 54 cents per day. The cost for those residents who are eligible for the homestead exemption would be approximately \$149 per year.

The average age of schools currently in the district is 67 years old.

The plans for new construction include: a pre-kindergarten through first grade building and another for grades two through four, both on the current sites of Early Childhood Center and West Carrollton Middle School; a third building for fifth and sixth-graders would be built at the current C.F. Holliday

Elementary site. The final building will be a campus with shared multi-purpose areas for seventh-graders through seniors. This campus would be built on the land where Schnell Elementary and West Carrollton High School are now located.

A group of residents, Friends of West Carrollton Schools, co-chaired by Jim Folker and Angie Shockley, are leading the bond information efforts.

Both Folker and Shockley's children graduated from the district. "We see the value that new schools will bring to future generations," Folker said. "I'm also confident that approval of the issue will only help to encourage new families to move into the district and improve property values," Shockley said.

For more information about the project, see <http://www.westcarrolltonschools.com/buildingproject.aspx>

The voter registration deadline is 9 p.m. Monday, October 7. More information, including requesting an absentee ballot, can be found at www.mcboe.org.

Back to School Donations

Due to the donations collected during the PRC Membership Drive, we were able to assist 111 children with school supplies and backpacks for the new school year.

Thank you for your support.

Snow Removal Guidelines

In order for the Street Division to properly and efficiently plow and clear roadways, cooperation and assistance are needed from residents.

Please follow these snow removal guidelines:

- Do not clean your driveway until your street has been plowed and salted by the Street Division. If you choose to clean your driveway prior to the Street Division plowing and salting your street, be sure to push the snow to the right of your driveway so when we plow it doesn't block your driveway. If using a snow blower, we ask that you avoid blowing the snow back into the street.
- If a snowstorm consists of 2 inches or more, please park all vehicles in your driveway. This will greatly assist the Street Division in properly clearing and plowing all roadways and residential streets. Our goal is to make road conditions as safe as possible for travel through the City.

Senior Citizen / Handicap Driveway Plowing

During the winter season, the Street Division provides driveway plowing services for senior citizens and handicapped residents of Moraine. This service is provided only when snow accumulation is 2 inches or more. Please note: this is the Street Division's last priority for snow-plowing. Requirements for receiving this service are:

- Must be 60 years of age or older.
- Must live alone.
- Exceptions: Handicapped persons who have a verified medical problem may qualify for this service.

Along with meeting all requirements, senior citizens must register in person each year at the Street Division (4720 Vance Road) in order to be eligible for this service. Our list of registrants is updated yearly. Please note if you do not register yearly, your driveway will not be plowed that particular year. If you have any questions, please contact the Street Division at 535-1040.

RESEARCH, DISCOVER AND UNCOVER MORAINE'S HISTORY

NEW HISTORICAL MARKER DEDICATED

A new 2019 Moraine Historical Marker was installed in late September dedicating "Soldiers Home Road."

At the end of the Civil War, the country faced the unprecedented challenge to care for the tens of thousands of disabled veterans who fought to preserve the Union. Due to President Abraham Lincoln's appeal to Congress following the Civil War (1861-1865), several National Homes for Union veterans were established across the country to provide domiciliary care, medical and hospital treatment for all injuries and diseases. Indigent and disabled veterans received care at the National Home for Disabled Volunteer Soldiers located four miles north of the new Moraine Historical Marker on Gettysburg Avenue. The National Home was built with great architectural buildings and grand gardens for not just recovering soldiers, but for patriotic tourists who traveled from near and far to pay respect to the veterans.

Many veterans traveled this road to reach the "Soldiers Home." Population at the Gettysburg Soldiers Home peaked in 1884 with 7,146 resident veterans. Over 600,000 tourists visited the home in 1910.

Several Moraine pioneers fought in the Civil War, including the Holderman family who lived just north of the Moraine Historical Marker on Caylor Road. Seven men from the Holderman family joined Ohio regiments for the Union Army. One son, Jacob, spent two years at the Dayton Soldiers Home recovering from war injuries and weather exposure. Other Civil War road names in Moraine include Union and Infirmary Roads. Antietam, Lookout and Chickamauga Streets are located near the Dayton Veterans Affairs Medical Center.

The new Moraine Historical Marker location is along the bike path connector between Deer Meadow Park and Possum Creek Metropark just south of the intersection of Shank Road and West Carrollton Soldiers Home Road. This is the fifteenth overall Moraine Historical Marker. Pick up a "Moraine Historical Marker Self Guided Tour" brochure at any City Of Moraine facility to learn the location and history of each marker.

HEROES VS. HOMEWORK 2019

Police and Fire Divisions went shopping with several area children to help them get ready for back to school. The event was made possible by the Moraine Walmart. Thanks to Walmart and their staff for their dedication and investment in our community. We wish everyone a great school year.

MORaine CHRISTMAS SMILES

Help Make Christmas Smiles!

There are children in our community in need of some Christmas Smiles! The 11th Annual Christmas Smiles program provides toys, clothes and food to less fortunate Moraine children. Last year, Christmas Smiles helped 102 Moraine children. That is 53 families who received gifts and food at Christmas time!

Want to Help?

- Stop in at the Municipal Building, Gerhardt Civic Center (GCC) or the Payne Recreation Center (PRC) and choose a child or family from November 4 - December 2! Please purchase at least 3 gifts per name.
- Donations are accepted at the Municipal Building by check (please make out to the Moraine Foundation) or cash.
- Start collecting your non-perishable items and canned goods for the food boxes to the families and bring them to the Municipal Building, GCC or PRC.
- Bring your unwrapped gifts and food items to the GCC on or before Monday, December 9.

Children's Gifts

If you are out shopping and see a great gift for any child, we will be more than happy to accept unwrapped new gifts or gift cards at the GCC.

Wrapping Paper and Tape

We will also accept wrapping paper and tape. The gifts are given to the parents unwrapped enabling them to view and wrap the gifts themselves. Two donation boxes will be available at the Municipal Building, GCC or PRC.

Volunteers

Volunteers are being accepted! It's an excellent way for high school students to obtain their community service credit hours! Volunteers may help with sorting canned goods, helping at the Pancakes with Prancer fundraising event and assisting parents with gift box pick-up day on Saturday, December 14 at the GCC from 1pm - 2:30pm.

Please share in the spirit of the holidays by helping to put Christmas Smiles on the faces of all Moraine children. For more information, phone Tony Wenzler at 535-1038.

Please make your check payable to “The Moraine Foundation,” with the check memo line noted for the Police/Fire Appreciation Lunch. Mail your donation to the Moraine Municipal Building, Attn: Moraine Foundation, 4200 Dryden Road, Moraine, Ohio 45439.

After lunch, food items will be taken to the Police and Fire facilities to be enjoyed by second and third shift staff.

A few friendly reminders from the Police Division to have a fun and safe Halloween.

Motorist need to be extra careful on Beggars Night. Exercise additional caution when driving, especially in residential areas. Keep your speed low and be ever watchful for the little ghouls and goblins that will be out running around.

Parents, make sure your little ones are dressed for the weather. Make sure that costumes are brightly colored and easily seen. Always have an adult with the smaller kids and have an check the candy they received to make sure it is safe to eat.

Have a safe and fun Halloween!
