

# Quarterly Update

Thank you for volunteering and being a part of our community. Your efforts are greatly appreciated! What a fantastic year for the Moraine Volunteer Program in 2017. Last year a total of 4,374 hours were volunteered by 744 volunteers. Because of your volunteer efforts, we can provide many services for our community that wouldn't otherwise be possible.

## 2017 HIGHLIGHTS

This past year, volunteers performed filing, basic data entry, scanned documents, answered telephones, served meals at the senior citizen nutrition program, sorted historical articles, audited the City vehicle fleet and performed light maintenance.

Volunteers assisted City staff in administering many special events, classes and programs including the large Easter, Halloween and Christmas events. Clubs, scout troops, businesses and high school National Honor Society students helped at many outdoor events and park/trail cleanups.

The 2017 "Adopt-A-Flowerbed Program" was a huge success. Dozens of volunteers kept the beds weed and trash free. The City has 23 beds to adopt in 2018 from late May through September. Spend a few minutes twice a month keeping the bed beautiful and earn a free six month membership to the PRC.

**SOCIAL!**

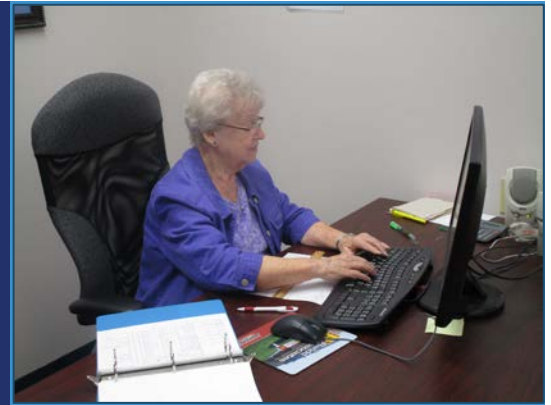

## ICE CREAM SOCIAL

Look for a drop-in Ice Cream Social and Picnic sometime late summer as another way the City of Moraine can say thank you to volunteers for you giving back your time, skills and expertise to assist the City in carrying out important services.

# Upcoming Volunteering Opportunities

The upcoming February 2018 volunteer opportunities flyer is enclosed. If you have time to help out please do. If you have a neighbor or family member who may have an interest in volunteering at any of these volunteer positions please contact me at 535-1003 or dmiller@moraineoh.org. Updated volunteer opportunities are listed in the monthly Moraine Messenger and are also listed at the City of Moraine website.

Don't forget this great amenity - once you volunteer 12 hours you are eligible for a free 6 month membership at the Payne Recreation Center (or a six month extension if you already have a pass). So get fit and stay heart healthy in 2018!
