## New 326 area code coming March 2020

The Public Utilities Commission of Ohio (PUCO) approved a plan to implement the new 326 area code. The 326 area code will overlay the existing 937 area code, which is expected to run out of available phone numbers in 2020. The North American Numbering Plan Administrator (NANPA) has identified a plan with the PUCO to implement the new area code. Mandatory 10 or 11-digit dialing for all local calls began February 8, 2020, and the new 326 area code will take effect on March 8, 2020.

### Important facts about the area code overlay:

- Current telephone numbers, including area codes will not change.
- February 11, 2019, telecommunications providers began to education their customers.
- February 8, 2020, customers in the 937 area code are required to dial 10 or 11- digit phone numbers for all local calls.
- Calls currently considered local calls will remain local calls. Calls between 937 and 326 are also local calls.
- Long distance calling will not change.
- 911 and other three digit numbers (211, 311, 411, 811, etc.), if available in the local community, will not change.
- Customers should begin or continue to identify their phone number with the area code.
- Customers are encouraged to update any saved contacts, speed dials, business cards, personal checks, pre-programmed alarm devices, etc. to include the area code + telephone number format.
- March 8, 2020, the new 326 area code takes effect.

Additional information regarding area code exhaust and maps of Ohio's area code boundaries can be found on the PUCO website.

This agency provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify the agency. The decision on granting reasonable accommodation will be on a case-by-case basis. The Census Bureau does not discriminate in employment on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, marital status, disability, age, membership in an employee organization, or other nonmerit factor.

Cities nationwide are preparing for the upcoming 2020 Census, and Moraine is no exception. We've had a number of residents asking about the census, and what they need to do about it, so we've answered some of the most frequently asked questions below.

### **What is the Census?**

The US Constitution requires the federal government to count the number of people living in the United States. By law, this count has to happen every ten years. The first census was in 1790, and the most recent count took place in 2010.

Early counts were done by hand, with officials going door to door. In recent years, most residents completed a paper survey and mailed it back to the US Census Bureau. Starting with the 2020 Census, residents will have the option of completing the survey online.

### **What does the Census need to know about my family?**

Questions on the survey relate to who lives in your home as of April 1st, 2020. The Census collects basic information, including each person's name, age, gender, date of birth, race, Hispanic origin, and their relationship to the head of household.

There is no cost to complete the survey. You will not be asked for social security numbers, bank account information, or any sort of donation.

### **Why does the Census matter?**

In many cases, Federal programs use census data to decide where to focus their activities. Over \$650 Billion in funding is distributed based on population – both at the state level and locally.

For Moraine, knowing our exact population means knowing which grants to seek. In the past 10 years, for example, the City has received million of dollars in Federal funding for a variety of projects, with additional funds coming from the State of Ohio and other sources. Most, if not all, of those funds rely on census data to decide who is awarded grant money.

### **What do I need to do?**

In March, you will receive a postcard with instructions for completing the survey. You can also request a paper survey.

### **What if I don't complete the survey?**

If they do not receive a response from your household, the US Census Bureau will contact you to make sure you received a copy of the survey. If they still don't hear from you, a census worker may visit your home to contact you that way.

For more information, visit [census.gov](https://www.census.gov), or contact City Planner Mike Hammes at 937-535-1037.

# The 2020 Census at a Glance

*Counting everyone once, only once, and in the right place.*

The U.S. Census Bureau is the federal government's largest statistical agency. We are dedicated to providing current facts and figures about America's people, places, and economy. Federal law protects the confidentiality of all individual responses the Census Bureau collects.

The U.S. Constitution requires that each decade we take a count—or a census—of America's population.

The census provides vital information for you and your community.

- It determines how many representatives each state gets in Congress and is used to redraw district boundaries. Redistricting counts are sent to the states by March 31, 2021.
- Communities rely on census statistics to plan for a variety of resident needs including new roads, schools, and emergency services.
- Businesses use census data to determine where to open places to shop.

Each year, the federal government distributes more than \$675 billion to states and communities based on Census Bureau data.

In 2020, we will implement new technology to make it easier than ever to respond to the census. For the first time, you will be able to respond online, by phone, as well as by mail. We will use data that the public has already provided to reduce followup visits. And, we are building an accurate address list and automating our field operations—all while keeping your information confidential and safe.

## KEY MILESTONES

- 2018**
- 2018 End-to-End Census Test

- 
- 2020**
- Advertising begins in January 2020
  - Public response (online, phone, or mail) begins
  - **Census Day—** April 1, 2020
  - Census takers visit households that haven't responded
  - Apportionment counts sent to the President by December 31, 2020
- 
- 2021**
- Redistricting counts sent to the states by March 31, 2021

# Overview of Census Bureau Programs

## CENSUSES

- The **decennial census** is the once-a-decade population and housing count of all 50 states, the District of Columbia, Puerto Rico, and the Island Areas. The results of the census determine the number of seats for each state in the U.S. House of Representatives and are used to draw congressional and state legislative districts. Federal agencies use the results to distribute more than \$675 billion in federal funds each year.
- The **economic census** measures the nation's economy every five years, providing vital statistics for virtually every industry and geographic area in the country.
- The **Census of Governments** provides comprehensive data about the 90,000 state and local governments in the nation every five years.

## SURVEYS

- The **American Community Survey** (ACS) is an ongoing national survey—sampling approximately 3.5 million addresses annually—that provides vital information about our nation's housing and people. The ACS is the only source of comparable, quality information about the people in all our communities. These data show what the U.S. population looks like and how it is changing. ACS data are used to assess the past and present and to plan for the future.
- **Demographic surveys** measure income, poverty, education, health insurance coverage, housing quality, crime victimization, computer usage, and many other subjects.
- **Economic surveys** are conducted monthly, quarterly, and yearly. They cover selected sectors of the nation's economy and supplement the economic census with more-frequent information about the dynamic economy. These surveys yield more than 400 annual economic reports, including principal economic indicators.
- **Sponsored surveys** are demographic and economic surveys that we conduct for other government agencies. They include the Current Population Survey, the National Health Interview Survey, and the National Survey of College Graduates.

## Your information is protected by law

The law requires the Census Bureau to keep your information confidential and use your responses only to produce statistics. We cannot publicly release your responses in any way that could identify you. We will never share your information with immigration enforcement agencies such as ICE, law enforcement agencies such as the FBI or police, or allow it to be used to determine your eligibility for government benefits.

## Our Mission

To serve as the nation's leading provider of quality data about its people and economy.

## Our Vision

To be the trusted source for timely and relevant statistical information, and the leader in data-driven information.

## Census History

Thomas Jefferson directed the first decennial census in 1790. As required by the U.S. Constitution, a census has been taken every 10 years thereafter. In 1840, the Census Act authorized the establishment of a centralized Census Office. In 1902, the Census Office became a permanent organization within the Department of the Interior. A year later, it was renamed the Bureau of the Census and moved to the new Department of Commerce and Labor.

# Income Taxes Are Due April 15, 2020

ALL RESIDENTS who live in the City for the entire year or partial year are required to file a City income tax return with the Tax Division on an annual basis, whether or not tax is due.

If you are retired or have no taxable income, you may qualify for the Declaration of Exemption Return. If you are permanently retired or disabled, you can use the Declaration of Exemption Return for a permanent exemption.

The filing due date for the 2019 tax year is Wednesday, April 15, 2020. If you file your return after this date, you must attach a copy of your Federal extension with your City Income Tax Return. The Federal extension form is only extending your filing deadline and not for payment of tax due. Penalty and interest will be charged for unpaid tax balances. (\$25 a month late filing penalty not to exceed \$150), late pay penalty (15%) and late pay interest (7%) for late/non-filed tax returns)

For additional information on filing, income tax forms or payments, please go to our website [ci.moraine.oh.us](http://ci.moraine.oh.us), call the Income Tax Division at 937-535-1026 or email [incometax@moraineoh.org](mailto:incometax@moraineoh.org).

As a convenience, we accept MasterCard and Visa for payments at the Finance Department's front desk.

Walk-in office hours will be available for filing assistance Monday-Friday from 8:30am-4:30pm.

***Tax Forms may be downloaded from the City's website at [ci.moraine.oh.us/taxes](http://ci.moraine.oh.us/taxes).  
Tax forms are also available at the Municipal Building.***

## Apply for a Moraine Rotary College Scholarship

Attention high school seniors that live in Moraine and graduate in May/June 2020! Hurry and apply for the Moraine Rotary Club 2020 College Scholarships. The scholarships are \$500 per student. The deadline to apply is March 6 at 4pm.

To apply go to The Dayton Foundation website at [www.daytonfoundation.org](http://www.daytonfoundation.org) and click on Scholarship CONNECT. Then follow the instructions. If you have any questions during the application process call the Dayton Foundation at 937-222-0410.

## NEED A SUMMER JOB?

The Parks and Recreation Division is seeking staff members for its summer seasonal programs. Qualified candidates must have exceptional interpersonal/customer service skills, effective verbal/written communication skills and the ability to handle stressful situations.

Interested applicants are encouraged to complete the City's online employment application at [ci.moraine.oh.us/employment](http://ci.moraine.oh.us/employment).

## Police Division Christmas Kids

The Police Division happily assisted twenty-three children with Christmas this past year. Employees and volunteers, in conjunction with Meijer and the Moraine F.O.P. Lodge #100, shopped and wrapped gifts based on suggestions/wishes of the family and child.

This year our shoppers were Kendra Bryant, Wanda Petrenio, Janet Sweeney, Dave Isham, Sherry Bosse and Jerry Dunn. The “wrappers”, who were very busy elves this year were, Mary Sabin, Wanda Petrenio, Kendra Bryant and Sherry Bosse. The money donated by the Moraine F.O.P. also assisted two families with basic needs and a utilities shut-off notice.

## Shop with a Hero

Twelve years and running! The annual event, sponsored by Meijer, was held on December 17th at the Meijer store on Springboro Pike. Seven local law enforcement departments and 37 kids scoured the store to help make their Christmas wishes come true.

Moraine’s “Heros” were: Brooks Thompson, Kelli Schulte, Jason Neubauer, Craig Richardson, Denise Smith, John Howard, Liz Adams, Matt Barrie and Paul Land.

A big THANK YOU to Meijer for their continued support of our communities!

## City Construction Update

In continuing with the City's commitment to improving roadways and maintaining infrastructure, there are many great improvements coming our way in 2020!

**Dryden Road South Resurfacing** – Dryden Road, from Kreitzer Road to south of Main Street, will be resurfaced in 2020. This project utilizes more than \$250,000 of federal grant funding through the FHWA and Ohio Department of Transportation. This project involves removing the top layer of roadway surface and paving a new asphalt surface. The project is scheduled to be completed by Fall 2020.

**West Dorothy Lane Improvements** – The City will be making repairs to the existing concrete roadway on West Dorothy Lane. Deteriorated concrete panels will be removed and replaced. This project is made possible by partial funding through the Ohio Public Works Commission.

For questions about roadway construction, please contact Alisha Burcham, City Engineer, at 937-535-1031.

## SPRING CLEANING VITAL FOR FIRE SAFETY

Spring cleaning is an annual ritual for many people. Just as the change of season ushers in a new beginning for nature, spring cleaning signifies a fresh start for us after the long winter months.

Spring cleaning can take on another meaning. It's the ideal time to plan a safety clean up day. In order to keep your family and property safe, take the time to check your home and yard for dangerous materials and unsafe conditions.

You will want to check each room in your house including the attic, basement, garage, yard, and storage shed. Plan to do several different things to start your safety clean up day:

- Choose nontoxic products for your cleaning.
- Test all your smoke detectors to ensure they are working. Change the batteries at least twice a year.
- Check fire extinguishers for proper type and placement.
- Make sure all doors and windows open easily for fast escapes.
- Make sure your street numbers are posted properly and are visible.
- Make sure you have a working flashlight and battery-powered radio for the approaching storm season.
- Check for good clearances between heating appliances and combustibles.
- Develop and practice a family fire escape plan in case of emergency.
- Consider installing carbon monoxide alarms in your home.
- Keep traffic areas free of clutter, toys and rugs in order to avoid tripping.
- Discard toxic and flammable materials you no longer need.
- Check the play area for sharp objects, hazardous materials, and tripping hazards.
- Children must not be allowed to ride as passengers on lawn mowers or to be towed behind mowers.
- Carry loads you can see over.
- Five gallon buckets are often used while cleaning and present a serious drowning danger to young children. Never leave a bucket or any standing water unattended and store buckets empty and upside-down.
- Follow safety recommendations when using harsh products, such as wearing gloves and masks.
- If you need to climb, use a stepladder or extension ladder. When using a ladder, stand at or below the highest safe standing level. For a stepladder, the safe standing level is the second rung from the top, and for an extension ladder, it's the fourth rung from the top. Before using, make sure the rungs are dry.

# RESEARCH, DISCOVER AND UNCOVER MORAINE'S HISTORY

## THE AVIATION THEME BEHIND PINNACLE RIDGE SUBDIVISION – Part 3

Since the Wright Brothers had a significant presence in Moraine, the City's newest housing subdivision has streets named after aviation celebrities. Last month we talked about Bessie Coleman. Today's article we look at the aviators behind one of the subdivision street names, Charles Court which was named in honor of both Charles Lindbergh and Charles Yeager.

Charles Lindbergh (February 4, 1902 – August 26, 1974) was an American aviator, military officer, author, inventor and explorer. At age 25 in 1927, he went from obscurity as a U.S. Air Mail pilot to instantaneous world fame by winning the Orteig Prize: making a nonstop flight from Long Island, New York, to Paris, France. Lindbergh covered the 33 1/2-hour, 3,600

mile flight alone in a single-engine purpose-built Ryan monoplane, named the Spirit of St. Louis. Lindbergh's flight was the first solo, non-stop transatlantic flight. Lindbergh received the United States' highest military decoration, the Medal of Honor, for the feat and numerous other awards and recognition from many countries. Lindbergh's achievement spurred interest in both commercial aviation and air mail.

Charles "Chuck" Yeager (born February 13, 1923) is a former United States Air Force officer, flying ace, and record-setting test pilot. In 1947, he became the first pilot confirmed to have exceeded the speed of sound in level flight. Yeager's career began in World War II in the United States Air Force beginning as an aircraft mechanic and working up to become a P-51 fighter pilot. After the war, Yeager became a test pilot of many types of aircraft, including experimental rocket-powered aircraft. As the first human to officially break the sound barrier, on October 14, 1947, he flew the experimental Bell X-1 at Mach 1 at an altitude of 45,000 ft. He then went on to break several other speed and altitude records.

Yeager later commanded fighter squadrons and wings in Germany and in Southeast Asia during the Vietnam War and was eventually promoted to brigadier general. Yeager's flying career spans more than 70 years including flying in and out of the Moraine Airpark.

# 2020 Moraine Community Cleanups

## Lend A Hand & Beautify Moraine

## Garden Plots

Do you love to garden, but just don't have the space at home to do so? The City has 78 garden plots located on Vance Road at the end of Dorf Drive (near the entrance to German Village). Each garden plot is 20' x 90,' and very affordable to reserve for the season. Registration for the garden plots takes place at the PRC, and is broken down into two phases:

**Phase I:** Opens March 1, 2020, and is for all 2019 plot users who cleared their garden plot at the conclusion of the growing year with no issues.

**Phase II:** Opens March 15, 2020, and is for all new gardeners.

We only guarantee the same garden plots that were used in 2019 in Phase I, not any new garden plots. For example, if you had garden plots 1 and 2, then you may reserve those same garden plots during Phase I only. If you wish to change the garden plot(s), you have to wait until Phase II to do so.

Garden plots cost \$15 for Moraine residents and \$20 for non-residents, annually. You must pay the fee at the point of registration to confirm your garden plot selection. You must plant your garden plot by May 20, 2020, or it will be reclaimed by the City. It is important to control weeds during the Summer and Fall seasons, otherwise you jeopardize losing your garden plot if weeds are overgrown.

All garden plots must be cleared by November 1, 2020 at the latest. Any gardener who does not clear their garden plot of stakes and any others items that could damage a tractor during plowing, will lose their gardening privileges for the 2021 season. Garden plots will be available for use starting early April, weather dependent. If you have any questions or need more information regarding our garden plots, please call the PRC at 937-535-1060.
