Spring Special Events!

Letter from the Director:

Spring is right around the corner and staff is gearing up for summer activities: the 2008 Moraine Heritage Festival, day camps, and the opening of Splash! Moraine Waterpark.

As with other communities, our division continues to deal with the economy, yet aspires to expand programming and offer quality leisure services to benefit our residents and people that work in Moraine.

Get in shape today for summer swim season by purchasing a season pass to the Payne Recreation Center. Utilize the cardio room, weight room, indoor walking/running track, and a variety of coed aerobics and exercise classes. If your budget is tight, try the new monthly PRC season pass payment plan.

Get your discounted Splash! Moraine season pass by April 30th and save \$\$\$!!! The Waterpark will open on May 24th for a great summer of water fun. NOW is the time to reserve one of the two party pavilions at Splash! for family gatherings or the popular birthday party rentals. Thanks to the generosity of Moraine City Council, any Moraine resident youth age 14 and under may receive a free season pass to the waterpark, providing they obtain a Moraine resident card (see page 3 for resident card information).

You better hurry and call Beth at 535-1095 to reserve your shelter house at well-known Wax Park, Ora Everetts Park, or Deer Meadow Park. Special paddleboat and surfbike rental packages available if you reserve a shelter house at Deer Meadow Park!

Check out information and registration dates for the always in demand summer day camps which begin in early June after school is out.

If you are excited about all of the programs in this issue, wait until mid-May when the Summer Program Brochure is available to the public. You'll get a sneak preview of the Moraine Heritage Festival national entertainment acts, a rundown on all the activities, secondary stage entertainment, and fun! We'll also announce all the great summer special events, paddleboat rental information, summer playground program activities, and much more.

Our division goal is simple – provide quality recreational opportunities so that you leave with pleasant memories of your experience. If you have any new program ideas, concerns or suggestions, please contact me at 535-1060.

Mission Statement

Parks and Recreation Division is responsible for the development, promotion, and implementation of a comprehensive recreation program through quality facilities and parks so that all citizens have an opportunity to participate and enrich their lives through meaningful leisure time experiences.

City of Moraine Resident Cards Residency has many benefits!

A resident is anyone who resides in the corporate limits of the City of Moraine. Even though you pay City of Moraine taxes or live in the Moraine zip code area, you may not be a resident. If you have a residency question, please call 535-1030.

Effective since January 1, 2007, a resident card is available for purchase at the Payne Recreation Center, during membership room hours only. This card will allow a resident to purchase a daily admission to the Payne Recreation Center or Splash! Moraine at the resident rate. This will be your proof of residency for daily admission, season passes, facility reservation and/or program registration. A resident card is \$2 each, \$5 for a family of four or more.

At the time of purchase, proof of age and two proofs of residency (driver's license/state identification card, current water bill, other current utility bill with a Moraine address) are required.

Individuals under the age of 16 years old must be accompanied by a parent or guardian and present a birth certificate (if not already on file) at the time of purchase.

If you have any questions or concerns, please contact the Recreation Center office at 535-1060.

Project Safe Place

There are times when a young person needs a safe place to stay as he or she tries to work out problems. Daybreak provides these youths with short term emergency shelter, food, and support while the staff works with them and their families to resolve the crisis at hand.

Project Safe Place is an outreach program set up by Daybreak. For many young people, reaching a "Safe Place" is the first step toward finding shelter and help from Daybreak.

Daybreak is the Miami Valley's only 24-hour crisis and emergency shelter for runaway and homeless youth. Daybreak provides counseling, shelter, and aftercare programs to youths ages 10-17. Daybreak reaches over 5,000 area youth by providing services and programs.

There are several Safe Place locations in Moraine. All three Moraine Fire Stations, as well as Payne Recreation Center and the Gerhardt Civic Center, are safe places, with staff trained in procedures on getting youths in touch with Daybreak while keeping them in a safe environment. Moraine Fire Stations are open 24 hours. Look for the "Project Safe Place" signs.

Emergency help can be obtained by calling Daybreak at 937-395-4600.

Killer Floorwork

Tuesday & Thursday

Want to use more calories at rest? The only way to do that is to build more muscle. The focus of this class is to assist you in obtaining a physique that others would "kill" for. Using different pieces of equipment to aid in making class fun, the instructors will work only on shaping and improving muscle mass. Women, you will NOT become muscle bound, but will be very pleased with how your clothes fit for those summer parties right around the corner.

Zumba

ALL AGES AND ABILITIES ARE WELCOME. Don't be left out in the cold, come and join the newest fitness craze to hit the Miami Valley! Zumba is a mix of movements from Latin dances and music. It is equal part dancing and aerobics and will burn between 500 and 700 calories per class.

LIFT – Ladies Independent Free Weight Training

Monday, Wednesdays

7:30 p.m. – 8:30 p.m.

April 2 – May 22, 2008

Some of us are afraid of the monster under the bed, some see the boogiemane in the closet, and OTHERS are afraid of the weights in our weight room. Come master your fears, gain support from other women, and get a jump-start on summer conditioning. By lifting weights you increase the strength of your bones, muscles, and connective tissue, which will decrease the risk of injury. Most adults will lose about ½ pound of muscle every year after the age of 20. By participating in resistance training just twice a week, you can stave off that loss and increase the muscle mass you have. Muscle tissue uses more calories even at rest, which will help you maintain a healthier body weight. Also, increasing your muscle mass will increase your ability to complete your daily tasks, from mundane household chores to hiking, biking, and playing with the kids. Classes will run 8-week sessions, and prior registration is encouraged. This class is free to pass holders or non-member drop in fee.

Let's Get a Jump on Summer

Summer is just around the corner and with it comes softball, baseball, golf, gardening, hiking, and of course, hanging out at Splash! ARE YOU READY? Let us help you get a jump-start on having the energy and strength to participate in all activities that you want to for this summer. We are offering ONE WEEK of our famous "BOOTCAMP" class each day – Monday through Friday April 21 – April 25 from 6:30 – 7:30. The first 20 participants to sign up and participate will receive a FREE t-shirt.

Don't miss out on this awesome chance to start on your summer fitness. Remember, Bootcamp is the perfect class for MEN, WOMEN, AND COUPLES. Grab a friend and take the challenge.

Gerhardt Civic Center After School Program
Monday - Friday
2:30 p.m. - 6:00 p.m.

Does your child come home from school to an empty house? Do you work long hours that don't allow you to be home when your child is there? Then consider the Civic Center Afterschool Program. The Gerhardt Civic Center offers afterschool childcare for children ages 6 -12 each day from 2:30 – 6:00 p.m. Research has shown that children who are left unsupervised during the after-school hours are more likely to have poor grades, and more likely to drop out of school before graduating than children involved in programs run by responsible adults. The Afterschool Program at the Gerhardt Civic Center offers children the opportunity to participate in team-building activities, crafts, games, and time to complete homework with assistance from staff if needed. Through funding provided by the State of Ohio, a snack is given each day. Children must be signed out by an approved guardian or parent. The program is free for Moraine residents and \$30.00 per week for non-Moraine residents; however, space is limited to 30 participants. This program coordinates with the Kettering Schools calendar. For more information, contact the Gerhardt Civic Center at 937-535-1095.

Some of the activities that occur are homework help, math pentathlon games, speed stacking competitions, computer activities, and many other activities. All children attending Frank Nicholas Elementary School are eligible to attend; please speak to the Frank Nicholas School Secretary or Aftercare Coordinator for more information.
