City of Moraine Resident Cards

Residency has many benefits!

A resident is anyone who resides in the corporate limits of the City of Moraine. Even though you pay City of Moraine taxes or live in the Moraine zip code area, you may not be a resident. If you have a residency question, please call 535-1030.

Effective since January 1, 2007, a resident card is available for purchase at the Payne Recreation Center, during membership room hours only. This card will allow a resident to purchase a daily admission to the Payne Recreation Center or Splash! Moraine at the resident rate. This will be your proof of residency for daily admission, season passes, facility reservation and/or program registration. A resident card will be \$2 each, \$5 for a family of four or more.

At the time of purchase, proof of age and two proofs of residency (driver's license/state identification card, current water bill, other current utility bill with a Moraine address) will be required.

Individuals under the age of 16 years old must be accompanied by a parent or guardian and present a birth certificate (if not already on file) at the time of purchase.

If you have any questions or concerns, please contact the Recreation Center office at 535-1060.

Project Safe Place

There are times when a young person needs a safe place to stay as he or she tries to work out problems. Daybreak provides these youths with short term emergency shelter, food, and support while the staff works with them and their families to resolve the crisis at hand.

Project Safe Place is an outreach program set up by Daybreak. For many young people, reaching a "Safe Place" is the first step toward finding shelter and help from Daybreak.

Daybreak is the Miami Valley's only 24-hour crisis and emergency shelter for runaway and homeless youth. Daybreak provides counseling, shelter, and aftercare programs to youths ages 10-17. Daybreak reaches over 5,000 area youth by providing services and programs.

There are several Safe Place locations in Moraine. All three Moraine Fire Stations, as well as Payne Recreation Center and the Gerhardt Civic Center, are safe places, with staff trained in procedures on getting youths in touch with Daybreak while keeping them in a safe environment. Moraine Fire Stations are open 24 hours. Look for the "Project Safe Place" signs.

Emergency help can be obtained by calling Daybreak at 937-395-4600.

Women, you will NOT become muscle bound, but will be very pleased with how your clothes fit for those holiday parties right around the corner.

The Gerhardt Civic Center loses a dear friend. . .

If you visited the Gerhardt Civic Center Game Room in the past ten years, chances are you had the opportunity to meet June Jordan. June began working for the City of Moraine as a Parks and Recreation Room Monitor on October 8, 1997. Often referred to as "Junebug," June considered every child that entered the Game Room like one of her grandchildren. She was known to stop a teenager, put her arm around them, and reminisce with them about how she remembered them when they were young. She had lots of experience with children – raising eight of her own, and being grandmother to twenty. Not one to rely on others, June would ride her bicycle or scooter to the Civic Center for lunch with the Nutrition program, then play Penny Bingo or Euchre with some of the other seniors. On days that she worked, before her shift, she would catch a nap in the Adult Room so she would be ready to play pool with the children who dropped in the Game Room that evening. June had a giving heart, she was quick to notice the needs of the kids that visited her in the Game Room, and would give to them what she could. In the end, it was her heart that gave out on her, when she passed away October 25, 2007. A dedicated and hard-working employee, a loving mother and grandmother, a dear friend; June was loved and respected by all who knew who her. She will be greatly missed

The Gerhardt Civic Center Adult Room will be dedicated to June Jordan on February 25, 2008 at 6:30 p.m.

2008 Garden Plot Registration

Registration for 2008 Garden Plots will be held at the Payne Recreation Center, 3800 Main Street, beginning Monday, February 4 and ending Monday, February 25 at 9:00 p.m. This Phase I registration is for Moraine residents who had garden plots in 2007. No registration will be accepted outside of these dates. All registrations must be done in person; no telephone calls will be accepted. Please bring driver's license and other identification to prove residency. Residents may request a different plot, but we will not know until after the February 25 deadline if any garden plots will be available for switching. We can only guarantee one plot per person. You will be able to request additional plots.

After Phase I registration has ended, and switches have been made, if there are any plots still available, there will be an open Phase II registration (for Moraine residents only) beginning Thursday, February 28 at 8:00 a.m. through Wednesday, March 5 at 9:00 p.m. for residents who do not have plots and wish to register for one. This registration will be on a first-come, first serve basis.

Individuals registering during Phase II must show proof of residency. If, after Phase II registration, there are garden plots still available, then we will distribute them on a first-come, first serve basis to the Phase I individuals who request extra plots. Garden plot sizes vary per section. All plots must be cleaned off by November 1, 2008. If a participant does not clean their plot off in time and does not remove stakes and other items that would cause damage to the tractor when mowing, then that participant will lose their garden plot privileges for the following year. They can register for a garden plot the year after the penalty year, but they would have to register as a new participant in Phase II of the registration process.

A detailed map of your garden plot location will be mailed the week of March 24. Plots will be available for use by the residents beginning Tuesday, April 1, 2008 (weather permitting).

The garden plot program is located on Vance Road, just at the end of Dorf Drive, near the entrance of German Village.

If there are any questions, please contact Dave Miller at the Payne Recreation Center at 535-1062.
