

Senator Sherrod Brown

AND THE SMALL BUSINESS ADMINISTRATION ANNOUNCE SEMINARS

You are invited to join members of Senator Brown's staff and the SBA for Small Business Seminars in Columbus, Findlay, Marietta, and Southwest Ohio.

About the event:

Members of Senator Brown's staff and the U.S. Small Business Administration (SBA) will be on hand at the seminars to discuss the new ARC Loan program and other opportunities related to the economic recovery package.

As part of the American Recovery and Reinvestment Act of 2009, the ARC program was created as a no-interest, deferred payment loan to aid small businesses that have a history of good performance, but as a result of the current economy, are struggling to make debt payments.

Come learn how your small business can benefit from programs available through the Small Business Administration.

Please RSVP by Calling (216) 522-7272

Other Topics will include:

- The Recovery Act and SBA Lending Programs
- Business Tips and Planning for the Recession
- How to access capital in a tough economy
- Selling to the Federal Government as a way to increase sales
